

## **NETHERLANDS TOUR - KIT LIST**

### **Tuesday 10th October**

Pupils will be bringing their sports kit home on Tuesday. The girls playing in the IAPS Tournament on Monday can keep this at home. Please note this needs to include the following items - studded boots (boys only), outdoor trainers, astros (girls only), hockey stick and stick bag (girls only) and a mouth guard.

### **Wednesday 11th October**

On Wednesday afternoon the players will be presented with their tour kit during our Pre-Tour Presentation Lunch to which you are all invited. This will then go home for packing on Wednesday evening.

### **Thursday 12th October**

Normal school day. Pupils should arrive at school ready for departure. Both bags should be taken to the Sports Hall at morning drop off. Please see the attached kit list which outlines what to pack in each bag. This is important as they will only have access to their backpack on the ferry crossing.
