

# This week in the Boarding House

## Dear Parents and Pupils,

I can't believe it's just two weeks until half-term! This week has flown by, and we've had a variety of activities.

On Monday, the boarders took part in the first part of the science spectacular. Boarders had a great time doing some fire writing!!! They investigated how an oxidising chemical may be used to burn a pattern drawn on paper.

On Tuesday we had the option of making our own paper or threading plastic beads to make keyrings. We also had a fairly lively tennis tournament on the Wii.

On Wednesday, Mr Smith and I walked over to the fire station to show boarders around. We held competitions to determine who could put on the kit the fastest, discussed casualty care, and went over all of the equipment. We're looking forward to returning during the summer term to observe the firefighters practise emergency drills. Thank you, Mr Smith.

When boarders returned to school, they were greeted with a meal at Zuccis. It was nice to spend some quality time with the boarders outside the house. Zuccis, we left with full tummies and it was delicious!

To end the week, the boarders enjoyed preparing milkshakes. The majority chose Oreo over Maltesers as the first option when faced with a difficult dilemma. Cramming as much into their cup as possible, they then piled on the whipped cream and toppings available. A wonderful night together to conclude another week.

See you on Monday.

Many thanks,  
Mrs Warwick-Smith  
**House Parent**

<i>Next Week's Activities</i>	
<i>Monday</i>	Science Spectacular Part 2
<i>Tuesday</i>	Hama Beads
<i>Wednesday</i>	Balloon Workshop!
<i>Thursday</i>	Swimming Pool Party!
