

This week in the Boarding House

Dear Parents and Pupils,

This week began with the return of 40-40! An all-time favourite! After arriving back to house, we ate jacket potatoes with fillings, salad, and watermelon.

On Tuesday, boarders enjoyed a relaxing evening watching films, playing Nintendo Wii and spending time in the games area. Just to save energy for our Harry Potter sorting hat ceremony! On Tuesdays, we enjoy preparing homemade pizzas together; the new teas are enjoyable for both boarding staff and boarders.

The main activity of the week; Harry Potter Sorting Hat Ceremony! The boarders arrived for a feast, after which they were sorted into houses using the sorting hat! The houses then competed in a variety of events, including dinosaur egg collection, a quiz, unicorn tale shaking, dinosaur egg relay, and a game of quidditch. An absolutely great evening!!

We had a good time swimming on Thursday to round up the week! The evening ended with frozen being played in both social areas before going to bed!

Have a fantastic weekend.

Many thanks,
Mrs Warwick-Smith
House Parent
